DISTRICT OWNED INSTRUMENTS

It is the policy of the School District of Hartford Joint No. 1 to charge an annual fee for student use of School District owned instruments except as otherwise provided. This fee is charged to defray the expense of normal usage and upkeep of the instrument.

It is also the policy of the School District to require the legal parent/guardian of the student who uses a District owned instrument to sign a rental agreement/user disclaimer prior to the issuance of the District owned instrument. Under this agreement it is the policy of the District that the parent/guardian is responsible for the cost of repairs for damage beyond normal usage or loss of the instrument as so indicated in the Instrument Rental/Use Disclaimer policy.
