CURRICULUM DEVELOPMENT

The Board of Education has responsibility for maintaining a minimum program of instruction guaranteed by the State statutes and for initiating improvements beyond that minimum.

Professional staff members, under the direction and supervision of the District Administrator, shall be delegated the responsibility for proposing and developing K-8 sequential curriculum plans for the School District of Hartford Jt. #1. Curriculum plans shall specify objectives, sequence, course content, resources, allocations of instructional time, and program evaluation methods for each curricular area. The curriculum plans shall be reviewed at least every five years and revised as necessary to ensure that the students' educational needs are continually being met.

All subject area offerings and any deletions or additions to the curriculum shall be reviewed and adopted by the Board before they are initiated into the program of instruction.
