EQUAL ACCESS

A “limited, open forum” shall be created for students to discuss subjects not directly related to the school curriculum. As such meetings shall be voluntary and initiated and conducted by students. Such a forum shall be scheduled either prior to the commencement of the school’s daily instructional schedule or after the school’s daily instructional schedule. Authorization for the meeting shall be granted subject to compliance with administrative procedures. Use of the school’s facility is subject to availability and shall not be allowed to circumvent or interfere with the orderly conduct of instructional activities. Requests for such activities shall be made in writing to the District Administrator indicating the purpose, time and persons responsible.

All organizations using school facilities shall abide by all rules, regulations or policies established by the School Board, as well as those rules and regulations established by the individual school building that has been rented.
