## **MUTUAL RESOURCE SHARING THROUGH INTERLIBRARY LOAN**

The School District of Hartford Joint #1 recognizes three facts in the area of resource sharing:

1. No single school media center can provide for the information needs of all its patrons.
2. School media centers can provide materials, services and human resources of value to other libraries.
3. Interlibrary borrowing does not relieve any library of the responsibility for developing its own collection.

\*Consideration will be given to School District of Hartford media center patrons before loaning any materials outside the District.

Therefore, the School District of Hartford Joint #1 shall participate in mutual resources with all the Hartford area schools as well as the Mid-Wisconsin Federated Library System.
